

## The Nairobi Work Programme – What is next?

Side Event at the Bonn Climate Change Conference 2013

**Date:** 4 June

**Time:** 18.30- 20.00

**Venue:** Room Metro, Ministry of Transport (MoT), Bonn

**Organisers:** Stockholm International Water Institute (SIWI), the Alliance for Global Water Adaptation (AGWA), Water and Climate Coalition (WCC), United Nations Economic Commission for Europe (UNECE), Conservation International (CI), the Netherlands, Switzerland.

**Chair:** Karin Lexén, Director, SIWI (representing WCC and AGWA)

This side event will explore possible future structure and modalities of the Nairobi Work Programme (NWP). We will focus on key issues for moving forward, such as potential thematic areas, bridges to regional, national and local levels, linkages to the Cancun Adaptation Framework, and lessons learned from the 2012-2013 technical workshops.

Presenters will be asked to shortly address key questions regarding the future of the Nairobi Work Programme. This will be followed by a moderated panel discussion with the speakers in order to further develop the topic.
